

Background

- **Sprints Capital** is a London-headquartered private equity firm that invests in technology-enabled growth companies with proven business models, strong and durable market positions and excellent teams, primarily in Europe
- We make **long-term focused investments** in companies that have strong market positions and are managed by excellent teams
- Sprints focuses on **identifying and investing in internet companies** with attractive growth profiles and that are differentiated by wide “moats”, combined with a disciplined and balanced approach to entry pricing, which allows it to achieve high risk-adjusted returns with low risk of capital loss
- **Responsible investing approach** is embedded within our firm and is **fundamental to achieving our investment objectives**
- Commitment to positive social impact extends beyond investments to our **Sprints Foundation**, which devolves 10% of the firm’s carried interest to hand-picked charitable causes

Analyst Intern Role & Qualifications

- We are looking for **Analyst Interns for a 12-week summer internship** from July-September 2021 (exact timeframe is flexible)
- Applicants should be in their **penultimate or final year of undergraduate or masters program** and with a demonstrated interest in finance and private equity
- Applicants should hold an excellent academic track record, be highly analytical and a team player, and possess the ability to work independently while being an integral part of the team

The intern will:

- Identify and source potential investment opportunities
- Conduct detailed research, analyses and evaluate a combination of industry, competitive environment, company and valuation analysis for new and existing investment opportunities, and present findings
- Prepare financial and operating models
- Involvement in and exposure to the entire investment process including evaluation and due diligence
- Participate in the ongoing management and monitoring of both the financial and operational aspects of investee companies
- Prepare and undertake additional projects as required or assigned

Please apply here no later than 31st of May - [Investment Analyst Intern - Sprints Capital \(teamtailor.com\)](https://www.teamtailor.com/jobs/sprints-capital). Applicants will be considered on a rolling basis. Any questions please email marcus@sprintscap.com.
