

McKinsey
& Company

Welcome to dinner

November 18

We are excited to invite you to our annual dinner, where we explore different career opportunities together.

Join us and get inspired by our colleagues' stories on how they have created their path at McKinsey.

And, most of all – we would like to get to know you!

[Sign up here by November 14](#)

We will confirm your attendance and give you further details by November 15.
